"A person's a person, no matter how small,"

Theodor Geisel, a.k.a. Dr. Seuss

On wednesday we will be celebrating Dr Seuss's 107 th birthday. Throughout the week we will be immersing ourselves in Seussville. I can't begin to count the benefits of sharing the wondrous world of Dr Seuss with your children. As well as teaching children to blend and rhyme, Theodor Geisel's books provide a

synthesis of fantasy and reality that effectively teach values endemic to peace education, environmental preservation, responsibility and tolerance.

In commemoration of this special occasion, **Niles Sales and Services** has kindly purchased 27 Dr Seuss books to give to the children. I would like to thank the Niles family for these considerate gifts and for being advocates of exemplary children's literature.
