

# Kapok Room

**Wishlist**  
**Mulch**  
**Fresh flowers**

**The afternoon class had the opportunity to visit Ms. Adele's classroom, during the second week of school, to learn how to play chess. We are now practicing chess and checkers on Friday afternoons.**

Corporation Meeting

*Thursday, September 15th*

Our classroom is responsible for providing the refreshments for this meeting, so please be sure to sign up.

Peace March

(Kindergarten students only)

*Wednesday, September 21st*

(Look in Thursday take-home folders for permission slips and for more details)

*I wanted to say thank you to the Norman, Horvath, and Bausmith families for bringing in items posted on the wishlist. If I have forgotten to mention anyone who has donated items to the classroom, Your good deeds have not gone unappreciated!*

## Sound of the Week

This year to enrich our language curriculum, encourage public speaking and to fulfill the children's need for sharing we will be introducing a "Sound of the Week" during our group time. The children are invited to bring in a small household item that begins with the particular sound of the week to place on the designated tray in their classroom. The objects will stay in the classroom until Friday. We will have sharing for all the children who bring an item at our Monday morning group time. Please encourage your child's creativity in selecting an item to share (children's dictionaries are a great source for ideas, as is your own kitchen!) When a special occasion (ex. Holiday Celebration) falls on a Monday, that week's sharing day will be Tuesday. The following is our schedule of sounds for the school year.
