

CANDLE FUNDRAISER

Dear Key West Montessori Families,
We are thrilled to share some exciting news with you! Our school has partnered with The Key West Candle Company for a special fundraiser that brings a unique touch of our community to homes this holiday season.

Introducing our exclusive candle, crafted with care to embody the spirit of an Island Holiday season. Our holiday blend 12oz candle features a refreshing combination of Spruce Pine and Holly Berries – scents chosen to capture the essence of our vibrant Holiday season here in Key West. Each candle is not only a delightful addition to everyone’s homes but also a meaningful way to support our school community.

We invite you to be a part of this exciting endeavor. Our goal is for each student to sell 10 candles. Your participation helps us continue to enrich our students’ learning experiences and support our school’s mission. We are confident that you will love the unique scent and the warmth it brings, just as much as we love the sense of community it fosters.

Thank you for your continued support and enthusiasm. Together, let’s light up our school’s future with this wonderful candle fundraiser!

GOAL

10 CANDLES PER STUDENT

DUE DATE
NOVEMBER 12TH, 2024
