

## The Montessori Children's School of Key West Supper Club Sponsorship/Table Reservation

The Montessori Children's School of Key West is excited to cordially invite you to participate as a sponsor in the annual fundraiser. The Supper Club will be held on Friday, April 24, 2026, featuring an island-themed meal artfully curated at one of Key West's favorite local restaurants, First Flight. The event will include live music from local performers, games & prizes, and a silent auction. This event is a celebration of the dreamy little island community we have built and continue to work to protect and grow together.

Fundraising is essential to the long-term sustainability of our school and a vital part of our annual operating budget. Your contributions support virtually every aspect of life at MCS beginning with scholarships and making their way into the classroom in the form of Montessori materials, educational resources, and professional development for teachers and staff. Furthermore, they help us make capital improvements and allow us to continue to grow. We are who we are because of you - thank you for your past and ongoing support!

So please join us at this bighearted benefit and fun shall be had by all!
